WASHINGTON – Congressman Charles F. Bass (NH-02) issued the following statement today on the 11th anniversary of the September 11th attacks.

Bass said:

"Although 11 years have passed, we all remember where we were on that fateful September morning when our nation was changed in just a few devastating moments. Today, we continue to honor the memory of those who died, and we honor those who have answered the call to service to our nation in the days and years following the attacks.

"Perhaps most importantly, today is a reminder that America remains resilient, strong, and free."
