WASHINGTON – Congressman Charles F. Bass (NH-02) issued the following statement this morning following reports that the U.S. Ambassador to Libya J. Christopher Stevens and three other embassy staff were killed in a rocket attack in Benghazi, Libya.

Bass said:

"My heart goes out to the families of Ambassador Stevens and the other American embassy staffers who lost their lives in this senseless act of violence in Libya. These public servants were our first promoters of liberty and democracy against tyranny in this troubled country, and this tragic attack reminds us that we must remain steadfast in defense of freedom at home and around the world. Please join me in keeping their families and friends in our thoughts and prayers."
