Bass said:

"For the past year, my staff and I have made it our top priority to provide the best constituent service possible to the people of New Hampshire's Second District. We opened district offices in Concord, Nashua, Newport, and Littleton, held town hall meetings on a regular basis, and conducted staff-led public office hours in more than 150 communities across the district. I plan to continue this strong commitment to constituent outreach in 2012. My staff and I stand ready to help in any way that we can and I strongly encourage constituents to call, email, write, or stop by any of my offices with questions, comments, or concerns."
