WASHINGTON – Congressman Charles F. Bass (NH-02) hosted a telephone town hall meeting with more than 3,000 veterans and servicemembers across New Hampshire tonight.

Participating in the call along with Bass was Lisa Aldridge, the Transition Assistance Advisor for the State of New Hampshire, and Miguel Morales, the Veterans Business Development Officer for the Small Business Administration in New Hampshire. Participants on the call were able to ask questions and obtain information about services such as health care, counseling, employment assistance, and other resources for veterans and servicemembers.

Bass said:

"I am committed to making sure those who have selflessly served our nation receive the care and benefits they have earned and deserve. One of the most rewarding parts of my job as the Representative for New Hampshire's Second District is to help constituents resolve problems they may be having with the federal government. I hope tonight's call was helpful to those who joined us and I encourage any constituent who is having issues with a federal agency to contact me at my Nashua or Concord Offices so we can help you out right away."

Constituents can contact Bass' Concord Office at (603) 226-0064 or his Nashua Office at (603) 595-7701 for assistance in dealing with a federal agency.
