**A BILL**

To support the establishment or expansion and operation of programs using a network of public and private community entities to provide mentoring for children in foster care.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Foster Care Mentoring  
5 Act of 2011”.

1 **SEC. 2. FINDINGS.**

2 Congress makes the following findings:

3 (1) Research shows that caring adults can  
4 make a difference in children's lives. Forty-five per-  
5 cent of mentored teens are less likely to use drugs.  
6 Fifty-nine percent of mentored teens have better  
7 academic performance. Seventy-three percent of  
8 mentored teens achieve higher goals generally.

9 (2) Children that have mentors have better re-  
10 lationships with adults, fewer disciplinary referrals,  
11 and more confidence to achieve their goals.

12 (3) In 2009, 423,773 children were in foster  
13 care. Of those children, 65,888 were between the  
14 ages of 10 and 13, and 133,680 were between the  
15 ages of 14 and 18.

16 (4) States should be encouraged to incorporate  
17 mentor programs into the delivery of their foster  
18 care services.

19 (5) Mentor programs that serve foster children  
20 are unique and require additional considerations, in-  
21 cluding specialized training and support necessary to  
22 provide for consistent, long-term relationships for  
23 children in care.

24 (6) Mentor programs are cost-effective ap-  
25 proaches to decreasing the occurrence of so many so-

1           cial ills such as teen pregnancy, substance abuse, in-  
2           carceration, and violence.

3   **SEC. 3. PROGRAMS FOR MENTORING CHILDREN IN FOSTER**  
4                           **CARE.**

5           Subpart 2 of part B of title IV of the Social Security  
6 Act (42 U.S.C. 629 et seq.) is amended by adding at the  
7 end the following:
